

November 3, 2023

Dear Lakes Families,

I am trying a new format for our weekly update which allows me to embed photos and fliers so you won't need to open multiple attachments to get information. I am hoping this makes things more easily accessible.

Big thanks to Mrs. Bonadio and her crew of volunteers for their work planning, decorating and organizing the book fair! It's always great to see kids excited about books!

We have had some fun together this past week. Our Lakes-Farms Trunk-or-Treat event last Friday was hugely successful. It was great to see so many families out enjoying the evening together. Our students and staff also had fun on Tuesday at school with Halloween parties and our first annual parade. Thanks to all of the volunteers that were able to help at classroom parties. We are ready to take on learning in November!

Lakes Information and News:

Dough for Donations Bread Drive

Check out this information on our upcoming ONE DAY bread drive. We have a friendly competition setup with Round Elementary for this event so let's show them how awesome Lakes is!

**The Lakes Elementary Kindness Club is
proud to present:**

Dough for Donations: Bread drive!

WHAT: Lakes 3rd annual schoolwide BREAD drive
benefiting Gleaners food pantry

When: Tuesday, November 7th 2023

HOW: Students can bring in bread products to their classroom
teacher on **Tuesday, November 7th, 2023**

GOAL: TO GET MORE DONATIONS THAN Round Elementary!

*Questions? Contact Leslie Leemgraven, School Social Worker or
Dr. Toni Johnson, School Psychologist*

Morning Drop Off

As the weather gets colder, our morning drop off line typically gets longer. If you drop your kiddo off, we will be pushing the front of the line to pull past the crosswalk so we can get more students unloaded at a time. We will have a sign out to help guide. Thank you!

Want to work at Lakes?

We are currently seeking a lunchroom/recess paraprofessional to join our team. This is a part-time position (2.5 hours per day). Please visit this link for more information. [Lunch-Recess-at-Lakes-11-23.pdf](#)

State Testing Student Reports

By the end of November you will receive a student report for our fall state testing (K-2, Early Literacy and Mathematics Benchmark and 3-4 Smarter Balanced Testing). Please note that these assessments are viewed as a "pre-test" and measure skills that students will be learning throughout the year. If your student is not yet proficient, that is to be expected and no cause for concern. If you have questions after reviewing your student's report, please reach out to your child's teacher or to me. Thank you!

LOC November 9

Don't get stuck in a traffic "yam" come and save with LOC for prizes this Thursday! Students who save this Thursday will receive a free donut!

Upcoming Dates:

11/9: LOC Day

11/17: Popcorn Day

11/20-12/1: Dearborn Ham Sale

11/22-11/24: No School

11/29: Rollerama Skate Night 5:30-7:30pm
